CENTRAL TRUTH

Abraham's covenant included physical healing.

THE SPOKEN WORD

"I am the Lord who heals you."
Exodus 15:26

TO THE TEACHER

Physical healing was clearly a part of the Abrahamic covenant although not everyone enjoyed this blessing. This proves that covenant blessings do not automatically come to us. We must embrace them by being convinced of God's promise.

In Psalm 103, David declares, "Bless the Lord, O my soul, and forget not all His benefits...Who healeth all thy diseases."

Benefits can be described as a package of blessings that belong exclusively to a specific set of people. Healing is a benefit that belongs to God's people by virtue of the covenant He made with Abraham.

This doesn't mean that covenant people won't be attacked. Abraham and Sarah could not have children because of a bodily ailment or malfunction. Yet, they overcame the problem by accepting the covenant promise by faith.

Throughout the Bible, healing was ministered on the basis of faith in the covenant. It is imperative that we understand this today.
